Electrical Burn 4/30/06

5/17/06

Dave, a journeyman electrical lineman experienced a flash fire from an electrical panel which threw him on the ground . The County Burn Unit gave him a an expensive petroleum based ointment. They thought his ear may need a skin graft. His wife Margaret, a DM, gave him **cleansing gel and skin conditioning oil** instead. Dave said the skin conditioning oil eased the pain. No grafting was necessary.
